APPLICANTS' CORRECTED APPEAL BRIEF

In response to the May 27, 2008, Notification of Non-Compliant Appeal Brief, Applicants have amended the Status of the Claims. Previously in the above-captioned Application, a Final Office Action was mailed November 16, 2007, Applicants submitted a Notice of Appeal on March 17, 2008, and submitted an Appeal Brief on May 15, 2008.

(3) Status of the Claims

Claims 1-64 are pending, and are on Appeal in the above-captioned Patent Application. Claims 65-102 were previously withdrawn. Claims 1-48 stand rejected under 35 USC §102. Claim 1 is an independent claim and claims 2-48 depend directly or indirectly from claim 1. Claims 49-64 are indicated as having allowable subject matter but are objected to for depending from a rejected base claim.

Conclusion

Applicants do not believe that any additional fees or charges are due for the prosecution of this appeal, however, in the event that there are, the Commissioner is authorized to charge any such additional fees or charges to the deposit account of applicants' assignee, Cymer, Inc., Deposit Account No. 03-4060

Respectfully submitted,
